Election of Claims

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to the Office Action mailed September 28, 2001, Applicants elect to prosecute Group I (claims 1-4, 6, 10, 11, 13 and 14) in the present application.

Provisional election of the sequence SEQ ID NO: 61, and the disease of hypoo ovarianism are also made.

No amendment of inventorship is necessitated by this election.

Applicants make the election with traverse. The agents and uses thereof identified as the claims of group I and the uses for those same agents identified as the claims of groups II, III and IV are sufficiently related so as not to unduly burden the Examiner in making a search.

Early allowance of the claims is requested. Should the Examiner believe that a conference with Applicants' attorney would advance prosecution of this application, she is respectfully invited to call Applicants' attorney at the number below.

Respectfully submitted,

Dated: October 26, 2001
